

Distributor Terms and Conditions

1. The distributor agrees to sell SPARK LED LIGHTS products in the specified territory.
2. The distributor accepts within the terms of the agreement to represent the interests of SPARK LED LIGHTS.
3. At the discretion of SPARK LED LIGHTS prices and payment terms may be changed from time to time by amendment, deletion or addition. Where reasonably possible the distributor will be notified in advance with at least a 30 days' notice.
4. The distributor shall promote and sell SPARK LED LIGHTS products and use its best efforts to maximize the quantity sold.
5. Maintain at all times a minimum inventory of SPARK LED PRODUCTS commensurate with the needs of the market.
6. The distributor agrees to maintain or employ adequate technical staff to maintain a level of expertise necessary to demonstrate, promote and support the sale and use by customers of the products.
7. The distributor agrees to treat as confidential all information supplied by SPARK LED LIGHTS and not to use this information for any purpose other than promoting and selling the products.
8. The distributor agrees not to sell or promote competitive products and undertakes not to substitute alternative products for SPARK LED LIGHTS products following customer enquiry. Such practice is considered unethical and distribution rights will be immediately terminated.
9. Distributor may determine its own resale prices for the products sold pursuant to this agreement.

Our Commitment

- SPARK LED LIGHTS will accept orders from distributors and use its best efforts to deliver them within a reasonable time.
- SPARK LED LIGHTS may refuse to sell products to distributor at any time that in the exercise of its sole discretion, shall deem itself insecure with respect to the ability of distributor to pay for all SPARK products and other goods ordered or received and not paid for pursuant to the terms of this agreement.
- SPARK LED LIGHTS will provide support and assistance to the distributor by telephone or fax or email as may reasonably be required to promote and support the products.
- SPARK LED LIGHTS will furnish the distributor with sales leads where appropriate.
- During the continuance of the Agreement, SPARK LED LIGHTS may also sell their products through its direct sales keeping the distributor's profit margin as decided between the 2 parties before the transaction force to various customers worldwide.

Payment terms to be decided for every order in the initial stage where the distributor will have to pay a minimum amount as decided before each transaction before the delivery.
